Rodriguez is injured.
We have no choice.

I have to
sub in Bimpy.

Coach, please...
We're going to
lose, anyway.

At least let
us lose with a
little dignity.

No...

Simpley may
not be our
best player,
but he's got
a lot of
heart.

He's what we
need right now.

Even if he fails
in body, he will not
fail us in spirit.

Bimpy!

C'mon,
you're up,
buddy.
